CHURCH PLANTING IN UTAH

Volume 2, Issue 9 - September 2026

YOUNG ADULT MINISTRY

A few months ago, it was brought to our attention that help was needed in the young adult ministry at Redemption Ogden. Ever since arriving in Utah, we have made several connections with the young adult community, so to lead a young adult Bible study was a natural progression toward ministering to this group. On our first night, we welcomed 9 young adults and the following Tuesday, we had 5 additional people. To date, our highest attendance was 22!

The goal of this group is to create a space where young, single adults can have a sense of community as they seek to understand God's word. Andrew is leading the group through the book of James; helping them to observe, interpret, and apply scripture practically. Eventually, we would like to see leaders emerge from this group to start their own young adult community groups. In our Utah context, it is vital that we continually multiply ourselves in ministry. Who better to reach the young adult population than young adults?! Please pray for this new group, that leaders would emerge and community will be built.

BEAR RIVER COMMISSIONING AND LAUNCH SERVICE

In the month of August, Redemption Bear River met two historic benchmarks in the life of a new church plant. First, the congregation was commissioned and sent out from Redemption North Ogden. After praying over the pastors and core team, Redemption Bear River conducted its first official members meeting, by voting in Pastors Jason Parker and Andrew Mullins as the pastoral team for the new church plant. The meeting concluded with communion and a song.

September Ministry Calendar

- Redemption Leadership School - Every Monday night 6:15-8:15
- Young Adult Bible Study - Every Tuesday night 7:00 - 9:00
- Syracuse Community Group - Every Thursday night @ 6:30pm
- Andrew's D-Group - meets weekly at various times
- Rachael's D-Group - Saturday mornings

Next, Sunday, August 30th Redemption Bear River officially launched as the fifth plant in the Redemption Family of Churches. Our family had the privilege of attending their inaugural service, where over 100 people were present! Not only was the service a blessing, but two people were baptized in the courtyard of

the event center where the church is currently meeting.

Redemption Bear River is located in Box Elder County and serves the cities of Tremonton and Garland. The county is mostly rural, farmland with a population of about 63,000. This area is only 1.8% reached for the gospel with 3 evangelical churches... well, 4 now! It has been an honor to watch the planting process for Bear River. We pray for its growth as they reach their community for Christ.

BUILDING UPDATE AND WEBSITE LAUNCH

As we prepare to launch in the spring, we have been searching for a location to gather. While we haven't settled on a place just yet, we have some promising leads. In the meantime, we are excited to announce the launch of our church website! It is still a work in progress, but it does give us a visibility in the community and a platform for online giving. If you would like to check out the website for yourself, click [here](https://lakeside.redemptionutah.com). You can also scan the QR code or go to <https://lakeside.redemptionutah.com>

UTAH MISSIONS OPPORTUNITY

With the upcoming church plant, we have multiple opportunities for small or large group mission teams. We need help canvassing neighborhoods to get the word out about Lakeside. Greeters will be needed at our launch service, as well as extra hands for follow-up afterward. Prior to the launch, we will also need construction teams, help with community block parties, and much more.

These short-term mission trips are great for individuals, families or groups of any age or size. If you are interested in organizing a team to serve as a part of Mission Utah, you can click [here](https://redemptionutah.com/mission-utah/) or go to <https://redemptionutah.com/mission-utah/> for more information.

SILVER WEDDING ANNIVERSARY

On September 28th, we will celebrate 25 years of marriage. Reflecting on all the Lord has brought us through, we are in awe of His faithfulness. College, babies, overseas moves, high school graduations, being parents-of-the-bride, a trans-continental move, and an upcoming church plant—our lives are full, and we wouldn't trade a moment of it.

We can't imagine the young couple in the photo had any clue of what they were signing up for. The vows we made that day were not spoken with the knowledge of what the future would hold, but with a full trust in the One who brought us together. We are looking forward to the next 25 years together...who knows what He has in store for us!

BACK TO SCHOOL!

As summer ends, a new school year begins for our girls. Andrea is now a sophomore at Bethel University in McKenzie, Tennessee. Hannah has started her senior year at Syracuse High School, and Lilly is a 7th grader at West Point Jr. High. We always encourage our girls to live out their faith at school, which can be challenging at times. Here, Hannah and Lilly find themselves in the minority as Christians in their local schools, adding an added layer of difficulty. Just as their dad is on mission planting a church, the girls are on mission in their classrooms, actively looking for opportunities to share the gospel. Please pray for Andrea, Hannah, and Lilly as they shine the light of Christ to their school communities.

- ### Praises & Prayer Requests
- 
- Praise for 25 years of marriage for Andrew and Rachael.
 - Continue praying for the Paulk family as they adjust to this new role.
 - Continue to pray that we are able to find a meeting place for Redemption Lakeside, as well as the financial support to sustain it.
 - Continue praying for the Syracuse community group.
 - Pray for financial support and staffing for the new church plant.
 - Pray for the young adults attending Bible study at our home.
