CHURCH PLANTING IN UTAH

Volume 2, Issue 7 - July 2026

MISSION UTAH WELCOMES TEAM FROM HOPKINSVILLE, KY

Mission teams from Second Baptist Church and Edgewood Baptist Church arrived in Utah last week. Their time in Utah was jam-packed with outreach, evangelism, canvassing and a little bit of line dancing! On one of the first days, the team attended worship at Redemption Church in Ogden. While there, they were able to sit in on a Sunday School class (we call it "equipping hour") about LDS history. Our family has attended this class for the last year; learning about LDS history and their theology. It has further opened our eye to the need in Utah and we believe the team learned a lot too. That evening, we were able to take the team to the Sunday evening service at Redemption Bear River in Tremonton. It was a long day, but it allowed team members to see Redemption Church in the various stages of planting. Redemption Ogden is in the final stage as a fully sustained church plant. Redemption Bear River is at stage 2, meeting on Sunday evenings and community group throughout the week. Finally, Redemption Lakeside in stage 1, gathering in community group each Thursday and meeting for individual discipleship throughout the week. The picture below is our community group that had to move outside due to our numbers! It was a wonderful evening.

July Ministry Calendar

- Young Adult Pickleball Outreach - Every Wednesday night @ 6:30pm
- Syracuse Community Group - Every Thursday night @ 6:30pm
- Andrew's D-Group - meets weekly at various times
- Colorado City, AZ Mission Trip - July 30 - Aug 1

A FULL WEEK OF OUTREACH

After worship service on Sunday and some sightseeing on Monday, the team served non-stop for the rest of the week. Tuesday they spent some time in Salt Lake City, near the LDS temple, learning more about the LDS and getting to engage several people in gospel conversations. When visiting temple square, we encourage visitors to look for opportunities pray with the sister missionaries and to "place a pebble in someone's shoe" - meaning, leave each mormon missionary with something to think about, something they can't quite shake...leave them with Jesus.

On Wednesday, the team woke up VERY early to drive and hour to Tremonton. In an effort to bless the teachers at Century Elementary School, our team joined with Redemption Bear River to bless the summer school teachers with Chick-fil-a chicken biscuits. It was a wonderful surprise for the teachers and a way to spread the word about the new church plant.

Once the teachers were fed, the team was able to visit the building that Redemption Bear River will rent once they officially launch in August. This gave teammates the opportunity to prayer walk around the building, praying for the new church plant to thrive in Tremonton.

That same evening, the team engaged in a little active outreach/evangelism via the local pickleball courts! Since moving to Utah, we have found that the pickleball court is a very easy way to meet people and engage in gospel conversations. With this in mind, the team spread out to play pickleball and invite people to a Redemption Church block party. It was a long, blessed day for the team. (continued on the next page)

A FULL WEEK OF OUTREACH (CONT.)

The rest of the week was spent canvassing neighborhoods in the Redemption Lakeside (Syracuse) area. When canvassing, we hung door hangers with information about the Redemption Family of Churches. Often times, families who have left the LDS church or are new to the area do not attend church because they aren't aware of any options outside of their local LDS ward. Canvassing allows us to let the community know there ARE options!

The team walked miles, going door-to-door to spread the word about Redemption and the upcoming block party. Because of the context in Utah, many people have "NO SOLICITING" signs on their door. So, instead of knocking on doors, we hang door hangers and address the homeowner through their Ring security camera - just leaving an encouraging word or simply "God bless you!" Every now and then, we will have the opportunity to chat with homeowners who are working in their yard or walking to their mailbox. We have seen much fruit from these curbside conversations.

By Friday night, the team was geared up and ready for the Redemption North Davis Block Party. Several people from our pickleball outreach attended the block party and many more meaningful connections were made with members of the surrounding communities.

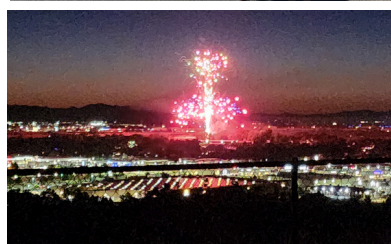

ENDING THE WEEK WITH A BANG!

In celebration of the 4th of July, our team was invited to walk with Redemption North Ogden in the Independence Day Parade. This was a full circle moment for the team, as they were able to serve with all 3 existing Redemption churches as well as the 2 upcoming church plants. The parade was not only to celebrate the 4th, but to also make Redemption Church visible to community. Our team passed out business cards, fliers, candy and oatmeal cream pies (a crowd fav).

To wrap up our time together, the team met on the ridge of the Wasatch mountains to get a panoramic view of the fireworks in the valley. It was a beautiful night and a great way to end the week. Our family was so blessed by the way this team served our community and how they loved on each of us. This was a much needed visit from back home!

Just before majority of the group left, we gathered by the church bus to reflect over all that God had done and pray over the team. This was an emotional time for us as we said farewell to our friends and church family. We are so thankful for Second and Edgewood Baptist for supporting these team members and encouraging them during this week. TO GOD BE THE GLORY!!

Praises & Prayer Requests

- Pray for our Colorado City mission trip July 30 - Aug 1.
- Pray for a planting partner(s) to join Andrew for the Syracuse/Lakeside plant.
- Pray for the Ayers family, as they seek other ministry opportunities in the area.
- Continue praying for the Syracuse community group.
- Continue praying for the Redemption Bear River congregation. Click [here](#) for more information about Redemption Bear River.

MINISTRY UPDATES

Toward the end of June, Andrew met with his planting partner Travis to discuss logistics concerning the Redemption church plant. Instead of discussing church logistics, Travis shared, with a heavy heart, that he no longer felt the Lord leading him to partner in the planting of Redemption Lakeside. Without a planting partner, Andrew began to question moving forward with the new church plant and wondering about next steps. After much prayer and godly counsel, it was decided that Andrew would move forward with the planting of Redemption Lakeside, as planned. While this came as a surprise to us, it was not a surprise to God. He has affirmed this church plant from the beginning and we are confident He will provide a planting partner in the near future. In the meantime, we wish the very best to the Ayers. Not only has the Lord knit our hearts together as dear friends, but He has allowed us to continue serving together through various Redemption events. We know God has wonderful things in store for their family! Please join us in praying for a new planting partner/team to come alongside Andrew and for the Ayers family, as they seek the Lord's guidance for the future.
